

ADDENDUM NO. 2
TO THE SPECIFICATIONS
FOR
MAIN STREET SIDEWALK IMPROVEMENTS

CITY OF GALVA
GALVA, ILLINOIS

July 19, 2017

NOTE: Wherein this Addendum conflicts with the “Specifications”, dated June 12, 2017, this Addendum shall govern.

GENERAL

1. Lot on east side of buildings is owned by Owner and will be available to Contractor for staging equipment and/or materials. Contractor shall be responsible for his own security of items left on lot during duration of project.
2. Contractor will be responsible for removal of all debris in the entirety of the sub space. Debris will be moved off site. This work will be considered incidental to the contract and no additional compensation will be allowed.
3. Owner to provide a site within 1 mile of its corporate boundaries where Contractor may haul concrete debris to and leave.
4. Contractor may remove existing sidewalk in stages as detailed in the Construction Documents or all at once. Contractor will be responsible for not allowing general public access to this area during construction. Equipment, labor and materials used for this portion of the scope of work will be considered incidental to the contract and no additional compensation will be allowed.
5. Steel siding, as shown in the Construction Documents will be provided by Owner and Contractor installed. Existing plywood sheathing (behind steel siding) may be left in place except at the bottom where it will need removed to the new sidewalk elevations. Equipment, labor and materials used for this work will be considered incidental to the contract and no additional compensation will be allowed.

6. All hazardous materials, if any, will be tested and removed by Owner. If Contractor suspects hazardous materials are present contact Owner for clarification.

NOTE: Bidders shall note in writing on the Bid Form that this Addendum has been taken into consideration, identifying same as Addendum No. 2, dated July 19, 2017.
